ECONOMICS OF TOBACCO USE AND TOBACCO CONTROL

- In FY2016, Indiana allocated \$5.9 million in state funds to tobacco prevention, which is 8% of the Centers for Disease Control and Prevention's (CDC) Annual Spending Target.⁵
- Indiana received an estimated \$565 million in tobacco settlement payments and taxes in FY2016.⁵

* National and state-level prevalence numbers reflect the most recent data available. This may differ across state fact sheets.

- The health care costs in Indiana, directly caused by smoking, amount to \$2.93 billion annually.⁵
- Indiana \$3.17 billion in productivity each year due to smoking.⁶

STATE TOBACCO LAWS⁷⁻⁸

EXCISE TAX

- The state tax increased to \$0.995 per pack of cigarettes in July 2007. Moist snuff is taxed \$0.40 per ounce. All other tobacco products are taxed 24% of the wholesale price.

CLEAN INDOOR AIR ORDINANCES

- Smoking is prohibited in all government workplaces, private workplaces, schools, childcare facilities, restaurants, retail stores (retail tobacco and cigar specialty stores are exempt), and recreational/cultural facilities.
- Smoking restrictions are required in bars.
- There are no smoking restrictions in casinos/gaming establishments.

YOUTH ACCESS LAWS

- The minimum age requirement for the purchase of tobacco products is 18, and penalties exist for both minors and merchants who violate this law.
- Establishments are required to post signs stating that sales to minors are prohibited.
- The sale to minors of electronic smoking devices, including electronic cigarettes, is prohibited.

CESSATION STATISTICS AND BENEFITS

- The CDC estimates that 51.6% of adult every day smokers in Indiana quit smoking for one or more days in 2014.⁹
- Indiana's Medicaid program covers all seven recommended tobacco cessation medications as well as individual, phone, and group counseling.^{8†}
- The state's Medicaid program's barriers to coverage include limits on duration, annual limit on quit attempts, minimal co-payment requirements, and required used of counseling to get medications.⁸
- Indiana state quitline invests \$1.10 per smoker; the national average investment per smoker is \$3.37.⁸
- Indiana does not have a private insurance mandate provision for cessation.⁸

† The seven recommended cessation medications are NRT Gum, NRT Patch, NRT Nasal Spray, NRT Inhaler, NRT Lozenge, Varenicline (Chantix), and Bupropion (Zyban).
